All NEW in  
**2007**

**MONZA KARTS.** The Monza Racing Kart line has been completely re-designed for 2007 with the addition of both the Z28 Cadet chassis and the Z30. These karts are based on the popular Birel C28 and R30 Racing line and feature much of top-of-the-line Freeline products throughout. The Monza Racing Karts come in a metallic blue finish and with blue Freeline bodywork with attractive newly-designed decal kits.
