

The all new Z32A & Z32c

Monza
racing kart

MONZA KARTS. The Monza Z32 line is completely re-designed for 2007. both the Z32-A and Z32-C incorporate a new outer frame-rail design to improve overall grip and balance. Both feature top-of-the-line Freeline products throughout and come in a metallic blue finish with blue Freeline bodywork with attractive newly-designed decal kits. With an improved look, added features & adjustments, the Monza Racing Kart is perfectly suited for both regional and national level competition.
