PROGRAM IDEAS

Suggestions of what to do with your time at MRP:

- **1. Practice and heat races all day**
Practice at the beginning of the time slot with 10-lap heat races; a feature for the heat race winners may also be added.
- **2. Endurance Racing**
Teams of (4) race each other with pit-stops to change drivers. This is usually a two or three hour event. The team with the most recorded lap wins. You may also include "pledges"; just like a "walk-a-thon"; sponsors may pledge money per lap.
- **3. Celebrity Challenge**
Imagine public figures such as local media personalities or sports stars teaming up to represent your organization and sponsors in an endurance racing format. A great opportunity to gather good media presence for your charity.

**If the charity has it's own program in mind MRP can make it happen!*
